

How to convert documents from Dropbox

We recommend **official Dropbox** application for access to **Dropbox** service, which you can get for free from AppStore. To convert files from **Dropbox**

1. Open **Dropbox** application and connect to your account
2. Find the document you want to convert
3. Tap on  button and select **PDF Printer**

Document will be opened in application. Tap on the right corner button and select Convert to PDF in the menu.
